

Culinary-Hike. Serfaus. Fiss. Ladis.

Exercise and Enjoyment-the motto for the Culinary Hike.

You can decide the hiking route and refreshment stops – and we prepare a regional four-course surprise menu for you in three different restaurants. Just let us know in which restaurants you'd like to have the aperitif and starter, in which restaurant we should serve you the soup and your main course, and where you would like to enjoy the delicious dessert. You can choose from the Möseralm, BergDiamant, Leithe Wirt, Lassida, Seealm Hög or Schöngampalm restaurants.

You can go back down to the valley comfortably with our cable cars or by foot. Alternatively, and depending on your location, you can also use the Fisser Flitzer with a valid ticket, or rent a mountain bike at the Schöngampalm for an extra charge. The bike route is 12 km – duration approx. 45 minutes.
