## Snowshoe hiking.

### General.

Experience the untouched natural mountain environment in a safe and idyllic way. Snowshoe hiking is becoming increasingly popular and does not require any previous experience – simply set off into the beautiful winter wonderland.

### Snowshoe hiking routes. Serfaus.

All of the routes are signposted – featuring the snowshoe symbol and yellow panels. Red & white flags are also attached to the trees. Not all of the routes are prepared following snowfall. Location panels can be found at prominent points.

#### Route SA Alpkopf circular hike

Start out from the information board at the Kölner Haus. Follow the toboggan run along the Kinderschneehalm to the wooden cross at the Stierlerhüttelift T-bar lift. Follow the Pirates' Trail through the forest to the open woodland beneath the Alpkopf mountain. On the right-hand edge off the forest, head downhill to 'Oberer Komperdeliboden'. Continue downhill until you reach a trail. Cross the trail and when you come to 'Unterer Komperdeliboden', bear right through the thin forest until you reach the trail where route SA and route SB meet. Route SA continues along the trail and follows a gentle incline up to the Hög Alm. Cross over the trail here and continue on through the dense forest to 'Oberer Komperdeliboden'. Follow the same trail back to the starting point. Length: approx. 4 km, walking time: approx. 2 h. Ascent: approx. 240 m, descent: approx. 240 m.

#### Route SB Ausserhög circular hike

This snowshoe route starts out at the beginning of the cross-country trail between the Seetal Hög and Hög Alm restaurants. Follow the prepared trail past the Hög Alm to the first turn-off (S118). From here, head left downhill to 'Oberer Komperdeliboden'. Continue downhill until you reach a trail. Cross the trail and when you come to 'Unterer Komperdeliboden', bear right through the thin forest until you reach the trail where route SA and route SB meet. Route SA continues along the trail and follows a gentle incline up to the Hög Alm. Cross over the trail here and continue on through the dense forest to 'Oberer Komperdeliboden'. Follow the same trail back to the starting point. Length: approx. 4 km, walking time: approx. 2 h. Ascent: approx. 240 m, descent: approx. 240 m.

#### Route SC Sonnenroute Moos

Start out from the cross-country trails in the village of Serfaus. The route starts out following the cross-country trails with several ascents and descents and crosses various sunny slopes above the Imntal valley. Passing the large car park, the route runs over several smaller hills until you reach the 'Lourdes area'. The snowshoe route ends here. The Kreuzfeldweg trail then takes you back to the start or you can take the underground bus to Serfaus. Length: approx. 2.4 km, walking time: approx. 2 h. Ascent: approx. 100 m, descent: approx. 80 m.

### Snowshoe hiking routes. Fiss. Ladis.

#### Panorama route FA

Beginner's route. Start: Josefskapelle chapel (FO01), length: approx. 3.8 km.

#### Route LA Neuegg – Obladis

At the castle pond, turn left towards Neuegg and after approx. 300 m, turn right to the Kneipp centre and then on to the Asterhöfe. After a short, steep ascent, we come to a road. Turn right here and after approx. 100 m, head uphill on the left to the viewing tower. Walk back possible via the Herrenweg trail – Obladis – Ladis. Length: approx. 5.8 km, walking time: approx. 2.5 h.

#### Route LB Widumsweg trail

The route starts in Obladis. Follow the Herrenweg trail as far as the signpost L021 and turn left. The trail leads in serpentine to Schönegg, where you can enjoy magnificent views on the winter landscape of Ladis. Length: approx. 17 km, walking time: approx. 15 h.
